SOFT SKILLS

- Long Life Learning
- Critical Thinking
- Communication
- Collaboration
- Time Management
- Teamwork
- Problem-Solving
- Positive Thinking

HARD SKILLS

Language
- HTML
- CSS
- Javascript
- TypeScript
- Python
- C
- Java OOP

Frontend
- React
- React Native
- Next.js
- Antd
- Tailwind css
- Shadcn
- i18n
- Zustand

Backend
- Node.js
- Express.js
- ElysiaJS
- Socket.io
- Drizzle ORM
- Prisma
- PostgreSQL
- Firebase

Tools
- Swagger
- Postman
- VSCode
- Clickup

ABOUT ME

Oak (ISFJ-A) | Full-stack Developer enthusiast
   Final-year IT student at KMITL with 6 months of Frontend experience at a startup, specializing in React.js, TypeScript, Next.js, and React Native. Passionate about Full-Stack Development using ElysiaJS, Drizzle ORM, and PostgreSQL. Always eager to learn new technologies
   I expect to graduate at the end of March and will be available to start on April 1st.

PROJECT

Smurpark Webtoon
Front-end | Webtoon
- **Developed** a responsive web-based platform for reading and managing webtoons
- **Implemented** smooth animations for an engaging user experience
- **Collaborated** with a design team from another faculty to refine the UI/UX

Tech Stack: HTML, CSS, JS

TicTacTalk
Full-stack | Tic Tac Toe Online with Chat
- **Developed** an advanced online Tic-Tac-Toe game with 1v1 and 2v2 modes
- **Implemented** real-time chat, scoreboard, login, create room, find match
- **Designed** an engaging UI to create a virtual board game café experience

Tech Stack: React, Tailwind css, Express.js, Socket.io, Firebase

My-ERP (Developing)
Full-stack | ERP & POS Web Application
- **Developed** Built an inventory management system with Excel import support
- **Integrated** order tracking and role-based access control
- **Designed** to replace Google Sheets for better scalability

Tech Stack: React, TypeScript, Antd, ElysiaJS, Drizzle ORM, PostgreSQL

WORK EXPERIENCES

Front-end Developer Intern
Witsawa Corp. | May - Oct 2024
- Assisted in the Frontend development of a project designed for an Admin system to manage various types of data.
- Collaborated with other teams, including Backend and Designers, to ensure seamless integration.
- Regularly updated and refined the implementation to align with project requirements.
- Tested the performance and functionality of the code to ensure reliability and efficiency.

EDUCATION

King Mongkut's Institute of Technology Ladkrabang 2021 - 2025
- Bachelor of Science Program in Information Technology
- Multimedia and Game Development Branch
